

Parent and Skater Roles:

The term "parent" refers to parents and guardians of skaters.

For skaters under 12 years old, a parent must be present in the arena at all times during the skater's session.

Parents and all skaters will follow the Club's [MSC Ice Etiquette Rules](#) or they will be asked to leave the ice rink.

The parent's name registered in the 'Member Account' is the Parent Member of MSC (provided their child has not reached the age of 18) with full voting rights at the AGM. See By-law No.1-2023 posted on the website under 'About Us'.

A registered adult skater (18 years of age and older) is an Ordinary Member of MSC with full voting rights at the AGM. See By-law No.1-2023 posted on the website under 'About Us'.

Skaters are not permitted on the ice without an MSC coach present and zamboni doors must be closed.

As per MSC's By-law No. 1-2023, memberships are not transferable.

MSC uses its website, www.mississaugafsc.com, and email info@mississaugafsc.com to communicate important information to its members. Club Service Hours:

Volunteering presents an opportunity for our community to come together in supporting our athletes, meeting new people, learning valuable life skills and being part of an enjoyable, team environment.

For PreJunior, a parent (for skaters under 18 yrs) or an Adult skater member (18 yrs +) must participate in the required Bingo and/or other volunteer activities within our Club or pay a buy-out of \$200.00 upon initial registration. **PreJunior members are required to complete 5 credits of service commitment per skater for the 2025-2026 season (max 10 credits for more than two family registrants in PreJunior; in families with skaters across both PreJunior and STARSkate, up to a maximum of 20 credits per family).** Various volunteer positions will be posted on a continuing basis throughout the season on the MSC website under the 'Volunteering Tab' with a credit value attached.

Members who do not complete their 5 credits of volunteer commitment per skater by June 14, 2026 will be charged a pro-rated amount of \$200.00 based on credits earned to the credit/debit card on file. For any volunteer time after this date (eg summer Bingos), funds will be credited back within 2 weeks once the service is completed.

Members who volunteer for the Board of Directors positions are exempt from Bingo and member volunteer hours *only while they remain Directors*. Should a Board member resign from the Board before the end of the season, volunteer participation will be required by the member on a pro-rated basis.

Bingo Service Commitment

For the 2025-2026 season, MSC will be hosting 3 to 4 monthly Bingo sessions at Delta Bingo, Rockwood Mall, 4141 Dixie Road, Mississauga and members may choose to attend Bingos which are valued at **5 credits per session**. This is our Club's oldest fundraiser, assisting with payment of our rental ice time, in which we have participated since 1998.

There is a penalty of \$150.00 charged to the member's credit/debit card on file if they are a 'no show' for their committed date or have not given **a minimum of 24 hours' notice by email to Club Registrar with 'Attention: Bingo' in the subject line at info@mississaugafsc.com** as we may forfeit the Bingo session and be heavily fined by the AGCO.

Snowflake STAR 1-4 Competition Service Commitment

MSC will be hosting the *Skate Ontario Star 1-4 Event (Snowflake Competition)* January 30 – February 1, 2026 expecting approximately 1,000 skaters from across the GTA. Volunteer positions will be posted in the Fall for this exciting weekend and we will schedule a Zoom meeting with more information regarding the positions!

This event will offer a great opportunity for our STAR 1-4 level skaters to compete and showcase their skills while MSC parent members proudly support our Club.

All PreJunior parents will be required to complete one volunteer shift per skater to a maximum of two shifts over the 3-day weekend.

Adult PreJuniors will be required to complete one volunteer shift over the 3-day weekend.

There is a buyout of \$250 per shift and for each 'No Show'.
